

ODP-81-687
28 May 1981

MEMORANDUM FOR: Deputy Director for Administration
FROM: Bruce T. Johnson
Director of Data Processing
SUBJECT: ODP Report for Week Ending 27 May 1981

Support to OS

4C (Community-wide, Computer-assisted, Compartmentation, Control System) The first week of parallel operation of 4C and SPECLE uncovered several minor problems, mainly resulting from data conversion. The problems were isolated and corrected. [REDACTED] STAT

SAFE

On Monday, 18 May, the contractor began installing the raised floor in the SAFE Computer Center. Expected completion date is Friday, 12 June. [REDACTED] STAT
